

Brut Cider

Dry, crisp, with botanical and citrus notes.

Dry → Sweet Scale (1 to 7): 2

ABV: 6.2%

Our signature cider. This is our driest offering and allows the apples to shine through in all their glory. We add a hint of botanicals to round out the apples and enhance their flavor with citrus notes, but don't be scared of the hops—it tastes more like wine than beer.

Ingredients list: Apples, hops.

Pairing suggestions: Manchego cheese, popcorn, grilled cheese with apples.

This cider is enjoyed by wine and cider drinkers as well as beer fans!
